OYSS Corporate Sponsorship Program

This is our top sponsorship level and gives the sponsor the most effective way of advertising. The steps for setting up a Corporate Sponsor are as follows:

- 1. The agreement is between Oceanside Youth Soccer Society – known as OYSS – and the corporate sponsor. The agreement is in effect when the corporate sponsor submits \$1000.00 to OYSS.**
- 2. Corporate sponsors are responsible for the purchase of jersey tops. These jersey tops will have the corporate sponsors logo applied to them. The OYSS logo on the front and numbers on the back of the jersey must also be present. All logo costs are the responsibility of the corporate sponsor. All jersey tops will be ordered and printed in conjunction with the OYSS Equipment Manager. The jersey tops will become the property of OYSS.**
- 3. Corporate sponsors will sponsor this jersey top for the following three years. A four year life span for the jersey tops is normal. The yearly sponsorship cost will be \$300.00, made out to OYSS.**
- 4. Upon submission of the initial \$1000.00 the corporate sponsor agrees to join this program.**

OYSS would like to thank all sponsors for their community contributions to help the youth of District 69. All sponsors will receive a team photo of their sponsored team. Newspaper articles are the responsibility of the team manager and the sponsor.
