Team Sponsorship and Donation Information

Oceanside Youth Soccer Society (OYSS) is a non-profit, volunteer sports organization focused on providing the youth of Oceanside, age 5 – 18 years old, an opportunity to develop their motor, thinking, leadership, self-esteem and sportsmanship skills in a fun, supportive, friendly, competitive environment.

With this in mind, we invite you to sponsor an OYSS soccer team or make a contribution to our club. Your support will help keep enrollment costs down and sports opportunities open to all children in the Oceanside district. Team and division sponsorship, as well as monetary or goods-in-kind donations are used to subsidize the many operating costs OYSS incurs. Some of these costs are:

- Uniforms
- Referees and referee assistants
- Equipment costs such as team balls, nets, goals, cones, flags etc.
- Field maintenance and lighting costs

This year we are offering the following sponsorship opportunities:

Bronze Level: \$150.00 will sponsor a Pony or House team for one season. These teams are comprised of youth ages 5 to 14 years old that enjoy playing soccer for skill acquisition and exercise. Emphasis is on individual player and team development in a fun supportive environment.

Gold Level: \$300.00 will sponsor an Upper Island team (formerly called rep or Gold level) for one season. These teams are comprised of youth ages 11 to 18 who seek a competitive level of sport. Sportsmanship, fun and skill development continue to be the major focus for both player and team.

Corporate Level: Team and Division sponsorships are available at either the House or Upper Island division. The cost for this level is individually negotiated with the expectation of a 2 – 3 year commitment.

In recognition of your sponsorship, you will receive a team picture with sponsorship recognition and acknowledgment of your sponsorship to team players and parents.

If you would like further information please do not hesitate to contact one of the below Sponsorship Representatives directly. Thank you, for considering a sponsorship or donation opportunity with our club – We look forward to hearing from you soon!

Sincerely,

Tim Clermont
